CAN YOU FOSTER?

We are DESPERATELY in need of foster homes!

We are contacted daily about Bull Terriers needing our help, but we are **running out of space** and need some place for them to hang out for a few weeks, particularly to get us over the spring break period when our boarding options are very limited.

We cannot commit to taking in any more dogs without somewhere for them to go. We have crates, food, collars, leashes, treats, toys! All we need is for some folks to step up and foster! Just a quiet room somewhere in the house, they don't need to mix with your current pets (in fact, we prefer that they do not), some TLC and potty breaks.

Please reach out if you can help - bullterrierrescuehouston@gmail.com

Who – or ‘what’ – are we rescuing?

The obvious answer is Bull Terriers in need of a home, but for those of us involved in the Rescue “What” are we rescuing is unfortunately becoming more of an issue. Read our blog post here: <https://www.texasbullterrier.org/post/who-or-what-are-we-rescuing>

GILBERT | YOUNG ADULT

Gilbert is a sweet velcro dog who always wants to be by your side. He knows sit, lie down, and stay. Rides well in the car and will walk with you for miles. He is good with other dogs, even the old cranky one at his fosters' home. He just can't wait to find his very own person!

FOSTER HOME NEEDED!

LOLO | ADULT

Lolo is 4 years old and came to us as an owner surrender. Good with dogs of all sizes!

RIVER | ADULT

River is about 5-6 years old and heartworm negative. She has fostered with a young child, although she is a bit clumsy!

River is currently in need of a foster home.

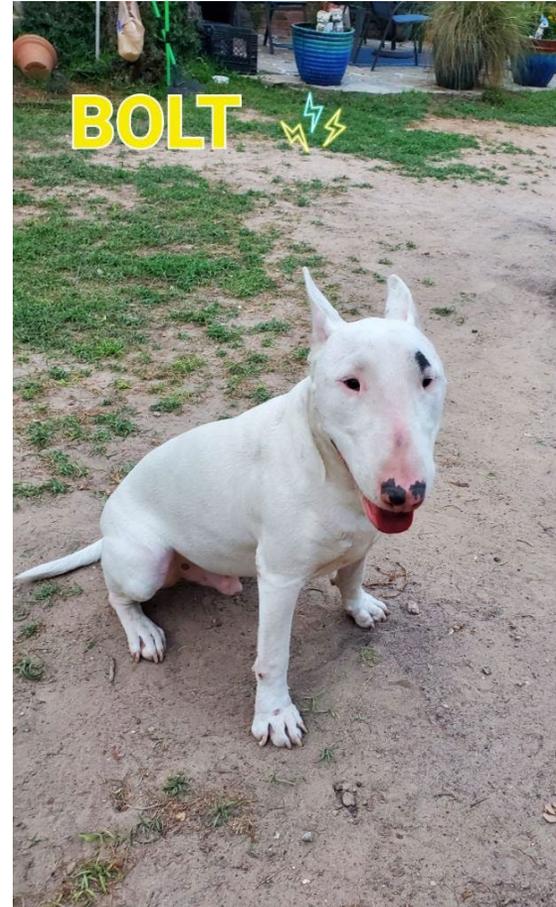

FOSTER HOME NEEDED!

BOLT | ADOLESCENT

Nine month old Bolt was surrendered into rescue due to his owner's health issues. He enjoyed interacting with family's smaller dogs although his zoomies were sometimes a little too much for them and he would likely prefer a home with another canine playmate.

Bolt has spent some time with our trainers to brush up on his impulse control and is ready to move into a new forever family. He became fast friends with Eugene while with Tail to Tail.

EUGENE | ADULT

Eugene has been fostering with Tail to Tail Training who have done a great job getting his skin and coat better.

DONALD | YOUNG ADULT

Donald was returned for rescue due to a change in owner's circumstances. He is 3 years old and has spent time with our trainer to brush up on his social skills, but would really prefer to be an only dog.

SHARK | YOUNG ADULT

This sweet boy is a joy! Shark is calm, loving and so, so sweet! He is very much a Velcro dog and just wants to be next to his person and cuddle and be loved on, but he is also starting to enjoy a little game or two of fetch and a short bullie shake of the toy.

Shark is heartworm positive, which will be treated by rescue. He is potty trained, crate trained, gentle taking treats, walks great on a leash – and he even comes when called!

If you are looking for a cuddlebug couch partner, this is your guy!!

RUSSELL | YOUNG ADULT

Russell is about 3 years old and has fully healed from a broken leg. He can be a bit mouthy so he is spending time with Tail to Tail Training.

ELEANOR | SENIOR

Eleanor is mature lady described as sweet, gentle, and polite. She loves to give kisses and is a persistent cuddler. She's very food motivated and would do well with another dog in the home to help keep her young at heart! She sleeps a lot and loves to snuggle up with anything soft.

ELVIS | YOUNG ADULT

Elvis is dog friendly and a HUGE cuddler! He always wants to be by your side. He will let you know when he wants to go outside to potty by scratching on the door, or if he is in the crate, he will let you know vocally. He takes snacks very gently, but trash cans beware!!!

Please consider making a donation

...so we can help more dogs like Penny!

If you would like to make a donation to help our Rescue efforts, **we are a 501(c)(3) public charity in the State of Texas** and the full amount of any contributions are deductible for federal income tax purposes. A tax donation receipt will be sent in response to all gifts, as requested.

A donation can be made via the PayPal button on our website – www.texasbullterrier.org – click on the “Rescue” tab.

We typically take in, rehabilitate and re-home over 50 bull terriers every year. Our efforts are conducted entirely by volunteers and we depend on public support in order to continue our day to day operations. **Every penny of donated funds goes towards veterinary needs and daily care of the bullies in our program.** Adoption fees only cover a portion of our expenses. Many of the dogs we take in are malnourished, sick, injured or have been abused, so you can imagine that our expenses are high - but we believe that if an animal has the courage to survive the abuse it has been dealt, it deserves medical treatment and a loving home for its remaining years.
